Improvements

Index.HTML:

- I removed the <pre> Welcome to Timeless Edge</pre> and introduced the cards/containers that I modified using CSS.
- I changed the navigation bar and put the links in lists, and the links are under a class called “box”.

About.HTML:

- I separated the paragraphs and put each paragraph in a container
- I changed the navigation bar and put the links in lists, and the links are not under a class called “box”.

Services.HTML:

- I made 3 cards that each have a picture and descriptions to show what services we offer

Gallery.HTML:
